

Performance Committee Report

May 14, 2017

2017 AGM

Committee Chair: Sarah Erdman

Committee Members: Sarah Erdman, Lynne Barna, Cody Burns, Julie Birken, Amie Debrone

Show Selection Sub-Committee Members: Ann Mackenzie, Amanda Kind

Introduction

The Performance and Events Committee's mandate is to recommend show choices, post for creative teams, manage communications with applicants, and give recommendations to the board. In addition this committee will oversee special events such as opening night galas and AGM, and assist with management of other fundraising opportunities.

Performances

Since June of 2016, the Performance Committee finalized the Creative Team for *Seussical* which performed at St. Jacobs Country Playhouse in February 2017. The show was a creative success. Student matinees were very well-attended.

Despite investigating other performance opportunities this year, KWMP chose to postpone the third edition of *Broadway Our Way* due to the earlier performance dates of *Seussical*. Other small shows for 2017 were also investigated, but tabled in favour of dedicating the focus of our volunteers to 2018's *Shrek*, which will be a larger than normal undertaking for several departments. Small shows for the rest of 2018 are still being considered, however.

In April 2017, the Performance Committee began the application process for the creative team of *Shrek* and many team members are now in place. The show will be performed in February, 2018, with exact dates still to be determined.

Events

The events committee held a successful awards night on April 7th at the hall. It was catered and bartended, and included musical performances by several of our members. Most of the costs were covered by the tickets sold.

A social event was planned after the official opening night of *Seussical* at Boston Pizza. It was well-attended.

The Performance Committee is always looking for people to join the team, if you are interested please let us know at: info@kwmp.ca
